■ Manual do Projeto - Mapa do Crédito

Este documento descreve a estrutura completa do projeto **Mapa do Crédito**, incluindo todas as pastas e arquivos principais encontrados no repositório, suas finalidades e como eles se relacionam. O objetivo é servir como **manual de referência** para manutenção futura, ou até mesmo como material de apresentação/venda do projeto.

■ Estrutura de Arquivos do Projeto

■ Explicações de Pastas/Arquivos

app/ — Contém toda a estrutura de rotas e páginas do projeto Next.js (App Router).

components/ — Biblioteca de componentes reutilizáveis (UI, artigos, ads, dashboards, etc.).

lib/ — Funções utilitárias e helpers, incluindo acesso ao Supabase, sanitização e configurações.

public/ — Arquivos públicos (ícones, imagens estáticas, manifestos).

middleware.ts/ — Middleware Next.js para tratamento de requests/responses.

netlify.toml/ — Configuração de build e deploy no Netlify.

tailwind.config.cjs/ — Configuração do TailwindCSS (cores, breakpoints, plugins).

tsconfig.json/ — Configuração TypeScript do projeto.
